

DECLARATION

Comes now C. BRYANT ROGERS, and being first duly sworn, states as follows:

1. My name is C. Bryant Rogers. I am co-counsel to the Class in this action.

2. I have reviewed the Treasury Department's Judgment Fund payment reports showing Defendant's payment of the agreed settlement amount of \$940 million plus post-judgment interest. Those payments of principal and interest were spread over several weeks and were paid in 66 increments on six (6) different payment dates.

3. I have compared those Judgment Fund payments and the net amount of funds transferred to the Class' designated bank (Huntington National Bank ("Huntington")) on those several payment dates. The net amount of funds transferred to Huntington by the Treasury Department (including interest) was \$947,446,885.53. Huntington's receipt of this amount is further confirmed by the excerpt from the Class' bank statement from Huntington for the period July 1, 2016 to August 10, 2016, attached hereto as Exhibit 1. Additional interest has been earned on those funds (\$37,353.97 through August 10, 2016) after receipt by the bank. That additional interest is being held in the Reserve Account pursuant to the Final Settlement Agreement ("FSA") and does not affect the claim form amounts

or the other payment amounts addressed in the referenced Unopposed Motion.

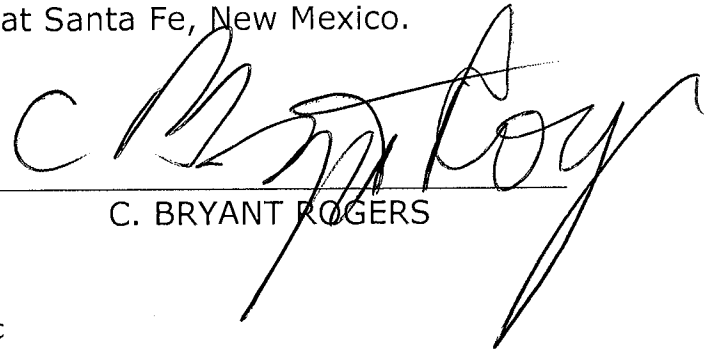

4. Comparing the total of payments (principal and interest) made by the United States from the Judgment Fund (\$947,965,659.39) on the several payment dates with the amount of funds ACH transferred to Huntington (\$947,446,885.53) on those dates, shows that \$518,773.86 of the Judgment Fund payments were offset pursuant to the Treasury Offset Program provisions of the FSA. This information is summarized on the following table, combining all Judgment Fund payments and ACH transfers made on a given date (even if made in multiple increments on that day):

Date of Payment	Judgment Fund Payment of Principal	Judgment Fund Payment of Interest	Total Judgment Fund Payment	Huntingdon ACH Receipts
6/17/2016	\$249,329,210.00	\$2,030,855.29	\$251,360,065.29	\$251,360,065.29

Total	\$940,000,000.00	\$7,965,659.39	\$947,965,659.39	\$947,446,885.53
Total Judgment Fund Payment Amount			\$947,965,659.39	
Total Huntington ACH Receipts			\$947,446,885.53	
Difference			\$518,773.86	

5. We have confirmed these Judgment Fund, ACH transfer and total TOP offset amounts and have instructed the Settlement Administrator to carry out (and the Class Monitor to verify) the separate claim form and payment calculations and amounts addressed in the Unopposed Motion for Approval of the Reserve Account Amount, the Holdback Amount, the Payment of Costs and Fees to Class Counsel, and the Final Claim Form and Payment Amounts for Class Members, and in particular the calculations shown on Exhibits B and C thereto.

6. The effect of the TOP offsets on the Class Members who were subject to those offsets and the identity of those Class Members has been confirmed to us through government counsel by the Treasury Department. The effect of those Treasury offsets is addressed in Exhibit C to the referenced Unopposed Motion, an Exhibit which has been filed under seal pursuant to applicable federal confidentiality laws. This individual TOP offset information was likewise confirmed to the Settlement Administrator and the Class Monitor so they would be able to carry out or verify the calculations reflected on Exhibit C.

I declare under penalty of perjury under the laws of the State of New Mexico that the foregoing is true and correct and that this declaration was executed this 12th day of August, 2016, at Santa Fe, New Mexico.
